Abstract

This module addresses what we did so far and what still has to be done.

Distribution

This article or presentation is written as part of the Gaudí project. The Gaudí project philosophy is to improve by obtaining frequent feedback. Frequent feedback is pursued by an open creation process. This document is published as intermediate or nearly mature version to get feedback. Further distribution is allowed as long as the document remains complete and unchanged.

Exercise Wrap Up

- Determine architecture status:
 - What do we have?
 - What are the important gaps?
 - What are the urgent gaps?
- How to obtain architecture feedback?
- Determine an integration sequence.
