Abstract

We show the wonders of communication and the need for active listening.

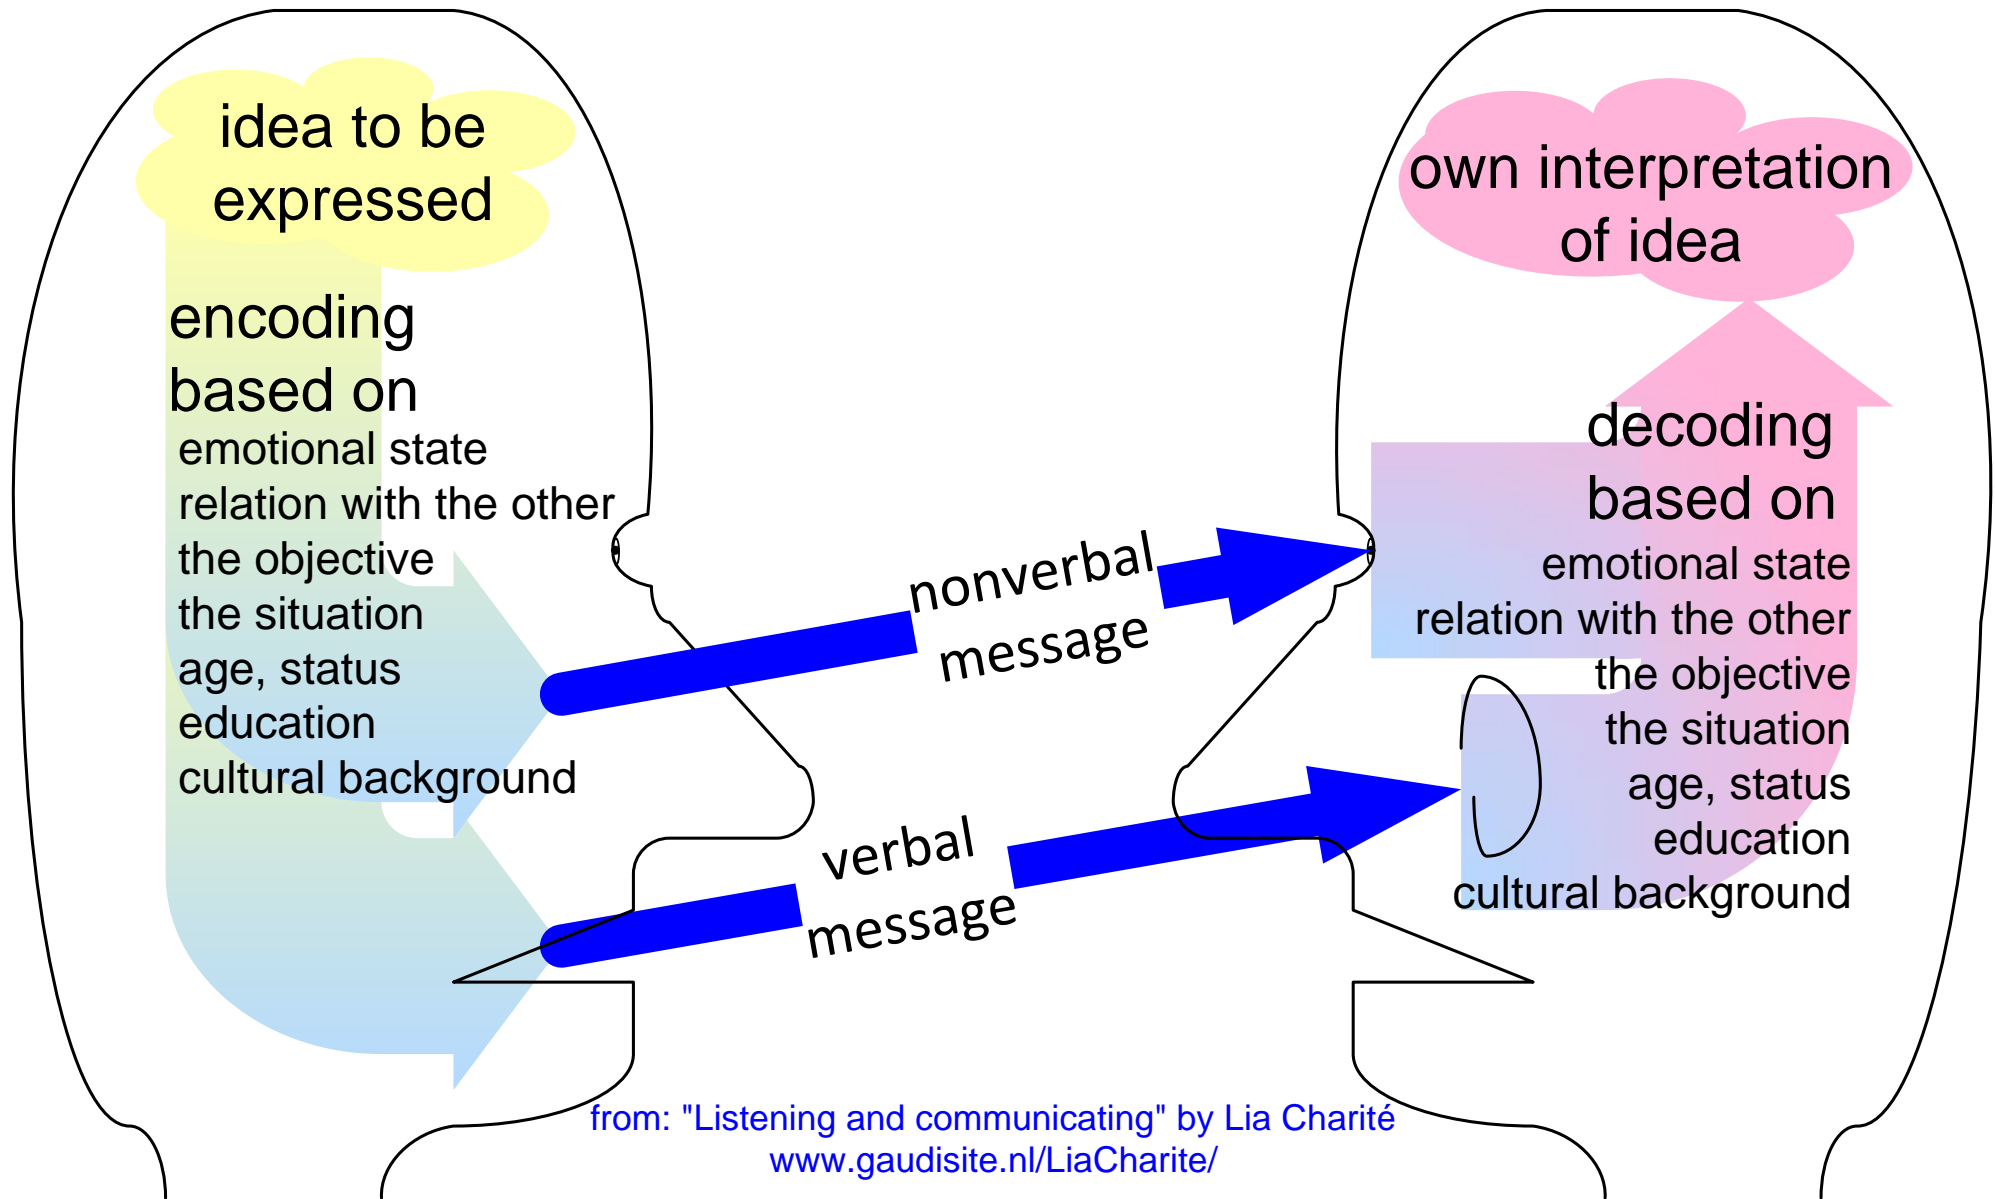

Distribution

This article or presentation is written as part of the Gaudí project. The Gaudí project philosophy is to improve by obtaining frequent feedback. Frequent feedback is pursued by an open creation process. This document is published as intermediate or nearly mature version to get feedback. Further distribution is allowed as long as the document remains complete and unchanged.

Active listening: the art of the receiver to decode the message

Intense interaction needed for mutual understanding

to calibrate:
repeat many times with different
examples, illustrations, and explanations

Mutual understanding as function of time
